

Spots happen...

AlbaChem® Spotters are formulated for results.

Fast acting spotters and sprays for professional cleaners and laundries.

Offering the most powerful formulas that meet environmental standards in convenient applicator containers.

AlbaChem® PSR & PSR II Powdered Dry Cleaning Fluid

PSR No. 1062

Not for sale in VOC regulated states

PSR II No. 1060

VOC Compliant for all states

Net Wt. 12.5 oz. (354 grams) 12 per case

- Removes grease and oil stains from all fabrics
- Removes "rings/circles"
- Contains no chlorinated solvents
- Safe to use on acetates
- Spray On - Let Dry - Brush Off

AlbaChem PSR & PSR II remove tough stains from all fabrics without harming delicate fibers. Unlike other powdered sprays PSR & PSR II contain no chlorinated solvents, are non-toxic and requires no cancer warnings. PSR has a low odor, will not "ring", and dries quickly. Use on all fabrics including: silk, satin, cotton, wool, taffeta, acetates and more.
