## General Information/Technical Data Sheet

## EverBlum® Cleaning Fluid

### General Description:

The best-kept household secret for expert cleaning of all fine fabrics. EverBlum® Cleaning Fluid is fantastic for clothing, drapery, carpets, handbags, fabric shoes, upholstered furniture and more. Quickly removes oil, grease, pencil, chalk, dirt, crayon, adhesive, cosmetic and food stains from fabric. Gives highest professional results while saving time and money. EverBlum® is the one cleaning fluid good enough for use in the White House and U.S. Embassies. Not for use on acetate fabrics or materials with acetate linings.

- Cleans All DryCleanable Fabrics (Type S)
- No Trichloroethylene
- Contains No Prop 65 Chemicals
- Perfect for Make-Up Stains

### Packaging:

Item No. 1023 16 oz. bottle 12 per case 24 lbs/case

### Directions for use:

Put a clean, white, absorbent cloth directly under stain. In a well ventilated area pour EverBlum onto a second clean white cloth. Gently rub over stain following the grain of the material. Lightly stroke outside edges until dry. Repeat process on hard to remove stains. Due to the nature of different materials, test all cleaning fluids on a hidden part of your fabric.

### Technical Data:

Appearance: Clear Liquid

Odor: fish-like

Shelf Life: > 1 Year

Flashpoint: 97°C (207°F) [ASTM D-93]

pH Value: N/A

V.O.C.'s: None /Exempt

Solubility in Water: 29 ppm (23°C)

CA Prop 65 Chemicals: None

Hazardous Air Pollutants: None

HMIS HAZARD Rating:

Health: 2 (Moderate)

Flammability: 2 (Moderate)

Physical Hazard: 1 (Slight)

Transport Information: Limited Quantity
