General Information/Technical Data Sheet

EverBlum® Candle Wax Remover

General Description:

The only product of its kind! Expertly formulated to remove tough, solidified wax dripping from all surfaces, safely without leaving stains, build-up or wax residue. Great for tablecloths, furniture, rugs and carpeting.

EverBlum®Candle Wax Remover seeps under the wax and breaks the bond between the wax and the fabric. An essential product to have on hand anywhere candles are used or sold.

Packaging:

Item No. 1028 8oz. bottle 24 per case 18 lbs/case

Directions for use:

Apply EverBlum Candle Wax Remover directly to wax covered surface. Allow product to soak for around 5 minutes. Gently scrape off wax build up. Once the majority of wax has been removed, remove any residue by rubbing the surface with a clean cloth saturated with EverBlum. Re-apply polish on furniture if necessary.

Note: When cleaning fabrics, always place a cloth under stained material prior to using EverBlum Candle Wax Remover.

Technical Data:

Appearance: Clear Liquid	HMIS HAZARD Rating:
Odor: Sweet	Health: 1 (Slight)
Shelf Life: >1 Year	Flammability: 1 (Slight)
Flashpoint: 97°C (207°F) [ASTM D-93]	Physical Hazard: 0 (Insignificant)
pH Value: N/A	
V.O.C.'s: none (LVP - VOC)	
Solubility in Water: Negligible	
CA Prop 65 Chemicals: None	Transport Information:
Hazardous Air Pollutants: None	Not classified as dangerous for transport.
	UN Number: NA
