

AlbaChem® Cutting Mat Cleaner

AlbaChem Cutting Mat Cleaner is an easy and effective spray cleaner for maintaining and extending the life of your cutting mats. It may be used to clean all types of mats for hand and machine cutting. A clean mat lasts longer and helps keep dirt, debris, lint and adhesives from contaminating your projects. With AlbaChem Cutting Mat Cleaner, your cutting mats will last for years.

Advantages:

- Cleans and Renews
- Removes Dirt and Residue
- Removes Old Adhesives
- Very low odor
- Safe for most all surfaces

Packaging:

Item No. 1035

Package Size 8 fl. oz. (237 ml)

Case Pack: 24

Case Weight : 15 lbs

Hazmat Information: Non-hazardous

Directions for use:

- Apply light mist of mat cleaner on complete area of mat.
- Use a spatula to remove dirt and residue from mat.
- If adhesive mat has no more tack, apply spray adhesive (i.e. AlbaChem Eco Mist adhesive) to area where adhesive is required.
- Always test spray on a hidden area of cutting mat before using on full mat.
