General Information/Technical Data Sheet

AlbaChem® Quilter's Stain Remover

General Description:

AlbaChem Quilter's Stain Remover is the master quilter's choice of cleaner for those pesky spots that occur while quilting. Blood from pin pricks, pet, food, drink, ink and other house hold type stains that can ruin a quilter's day are quickly removed on the spot!

Benefits:

- Removes blood, milk, tea, coffee, soda and other beverage stains
- Removes all kinds of food stains
- Removes pet stains including dog and cat urine
- Removes perspiration, ink and more

Packaging:

Item No. 1504 4 oz. w/applicator top 24 per case 8 lbs/case

Directions for use:

Remove cap. Place absorbent cloth underneath stain area. Dab QSR directly on stain. Rub until stain starts to come out. Dampen a clean white cloth with water. Rub stained area with damp cloth to finish removing stain and to remove all QSR from the fabric. Always test all stain removers on a hidden part of the fabric before using.
