

General Information/Technical Data Sheet

AlbaChem® #1646 Anti-Static Spray

AlbaChem® Anti-Static Spray removes the electrostatic charges that attract dust particles and cause static electricity. Effectively eliminates static shock and static cling. Safe to use on a wide variety of inanimate objects.

Advantages:

- Eliminates static electricity
- Reduces dust & debris build-up
- Allows materials to feed properly
- Great for computers & electronics

Uses:

- Counteracts static electricity charges that attract dust; prevent materials from feeding properly or “shock” equipment operators.
- Helps prevent data loss and damage to computer’s memory
- Use on natural or synthetic rugs and carpeting; furniture, drapes and chairs
- Can also be used on metal rollers, drive belts; scanners, electronic image processors

Packaging / Shipping specifications:

Item No. 1646
Package Size: net Wt. 12oz. (340 grams)
Case pack: 12
Case weight: 14 lbs

Directions:

Clothing: Spray AlbaChem Anti-Static on clothing before dressing. If already clothed, spray outside if garment first. If spraying between garments pull them apart before you begin.

Upholstery: Apply to upholstery furniture, drapes or clothing. Brush off pet hair and lint.

Prevention of shocks on carpeted areas: Spray product in a sweeping motion 6” to 12” form area needing protection.

Computer & electronics: Spray the area around the computer or other electronic equipment. Do not spray directly on or in a computer or other electronic equipment.

Technical Data:

Physical Properties:

Appearance: Clear Liquid in an Aerosol can
Solubility in water: Partial
Odor: Mild
Chemical Family: Aqueous / Alcohol Solution

Environmental:

Volatile Organic Compounds (VOC): <80%
CARB V.O.C. Compliant: Yes
Ozone Depleting Substance: No
Contains No Alkylphenol Ethoxilates
