

ADHESIVES

General Information/Technical Data Sheet

AlbaChem® 1786C Premium Flash Adhesive (CARB)

AlbaChem Premium Flash Adhesive is a unique mist adhesive spray that is activated by the heat produced by flash cure units. Unlike other adhesive sprays which either lose their tack or become "gummy" from a flash, Premium Flash Adhesive is made to be flashed! With each flash, the tack of Premium Flash Adhesive increases. Ideal for high speed automatic presses with multiple flashes. Increase the number of turns before re-application with Premium Flash Adhesive.

Packaging:

Item# 1786 Aerosol Can Net Wt. 13 oz.
(368 grams) Case Pack:12

Safety:

Does not contain chlorinated solvents.
Dries quickly to avoid transferring.
Requires less frequent reapplication, reducing the amount of adhesive used in the workplace.

Benefits:

- o Stable at High Temperatures
- o Less Frequent Re-application
- o Will not Transfer
- o Maintains Tack with Multiple Flashes
- o California VOC Compliant

Directions for use:

Shake can well before using. Hold can 6 to 8 inches from surface. Use a sweeping motion when spraying. For a permanent bond, apply moderate coat to both sides of materials to be bonded. For a temporary bond, apply light coat to one side of the material. To avoid clogging, after use turn can upside down and spray until a clean stream of air flows.

Environmental Benefits:

- Does not contain vinyl acetate or other toxic adhesives.
- Product is stable and non-reactive under normal conditions of use, storage and transport.
- Meets the exception requirements for shipping as a limited quantity.
- Contains under 55% (by weight) of VOCs and complies with CARB 2017 VOC standards.

Technical Data:

Appearance: Cloudy/White
 Odor: Solvent
 Shelf Life: > 1 Year
 Flashpoint: -156°F (propellant)

VOC's: <55% (by weight)
 Specific Gravity: 0.672 (estimated)

HMIS HAZARD RATING:

Health: 1 (Slight)
 Flammability: 4 (High)
 Physical Hazard: 0 (Insignificant)
 Personal Protection: B (Gloves & Eye Protection)
 Carcenogens: None
 UN Number: 1950
 Packaging Exemption: Limited Quantity

WARNING: This product can expose you to chemicals including Ethyl Benzene, which is known to the State of California to cause cancer, and Toluene, which is know to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
