

Spot Cleaning Equipment General Information/Technical Data Sheet

AlbaChem ALBA-STEAM 5 Portable Steam generator

The Alba Steam Generator produces 50 PSI of steam pressure and reaches temperatures up to 221F at the tip. Ideally suited for use in drop stores, alteration shops, retail stores, hotels, clinics, banquet rentals and garment and costume rentals. Steam deodorizes and sani-tizes with heat and moisture and, since the only ingredient required for the Alba Steam Generator is water, cleaning has never been safer, healthier or more environmentally friendly.

Features:

- Steam gun with 6' hose set
- 4 safety systems
- Pressure gauge
- Aluminum heating element
- Carrying handle
- 10-15 minute heat up time
- Up to 4 hours of continuous steam

Packaging:

Item No. 70-32 110V, 60Hz

Directions for use:

Fill reservoir with water. Turn on unit and allow to reach temperature and pressure, indicators will let you know when proper levels are reached. Place stained garment on cleaning buck of cleaning station. Identify type of stain and apply the appropriate spotting agent(s), work into stain with spotting bone or brush until stain is completely dissolved or sufficiently "broken". Flush with steam. Be sure not to hold the steam gun too close to fabric to prevent damage.

Specifications:

Dimensions: 9.8" x 12.9" x 16.9"

(25 cm x 33 cm x 43 cm)

Shipping dimensions; 13.4" x 20" x 17.7"

(34 cm x 51 cm x 45 cm)

Net weight 18.7 lbs - 8.05 kg

Electrical 120V

Power Consumption: 10.8 amps

Electrical Approval: cETLus

Operating Pressure: 50 PSI - 3 bar

Water Capacity: .90 US gallons - 3.4L

Tank Construction: Stainless steel

Warranty: Limited 1 year
