

Surface Alcohol Spray

80% Alcohol Solution

AlbaChem® Surface Alcohol Spray provides a quick and effective way to clean all surfaces that we touch regularly. Containing 80% ethanol, Surface Alcohol Spray is the fastest and most complete way to clean surfaces that are handled regularly. This will greatly reduce the chances of transferring viral and bacterial materials from the surfaces to your hand or face.

AlbaChem Surface Alcohol Spray is recommended for use on:

- Phone & Tablets
- Keyboards
- Door Knobs
- Masks
- Clothing
- Handbags
- Desks & Counters

And all other surfaces.

Directions for use:

1. Test by spraying onto an inconspicuous area before spraying entire surface.
2. If spraying on electronics, apply onto rag and rub surface with damp rag.
3. If spraying onto other surfaces, apply an even coating to all exposed surfaces.
4. If using on clothing or mask, allow to dry completely before wearing.
5. Avoid spraying onto skin or face.
6. Do not apply to clothing while wearing.

Packaging:

20 oz (12 per case, Item No. 777
case weight 20lbs)

Technical Data:

Appearance: Clear Liquid
Odor: Alcohol-like
Shelf Life: > 1 Year
Flashpoint: 55°F
pH Value: Neutral
V.O.C.'s: 80% by Volume
Solubility in Water: Complete

HMIS HAZARD RATING:

Health: 1 (Slight)
Flammability: 4 (Extreme)
Physical Hazard: 2 (Moderate)
Personal Protection: X (Ask Supervisor)

Transport Information: Limited Quantity
