

Screen Print Accessories

General Information/Technical Data Sheet

Expert® Test Squares (pellons)

General Description:

Designed to not shrink when flash-cured or ran through a dryer. Black is a true black, not the traditional charcoal. Two sizes, both in a medium weight assure performance similar to most shirts printed. Very Economical.

Item#	Size	Case Pack
2412 White	15"x15"	500
2432 Black	15"x15"	500
2414 White	15"x18"	500
2434 Black	15"x18"	500

Expert® Ink Scoops

Expert Ink Scoops are manufactured with a new reinforced handle. The rigid material resists bending and breaking. The tapered blade enables the printer to get out every ounce of ink from the bucket. The handles are notched to fit on the lip of the bucket.

Expert® Screen Scrubbers

Expert Screen Scrubbers allow you to thoroughly clean mesh screens without damage to the screen surface. The medium-grade abrasive pad removes ink, emulsions, haze and ghost images. For maximum economy you can replace the pad and reuse the handle.
